

CALCUTTA TELEPHONES

Attention Customers

Your Telephone Bill could be very high !!!

- Do you know that PRM call (0900) access for **filmy chat, astrological information, educational information etc.** is charged at higher pulse rate in the order of Rs. 36/- per minute ?
- The operating pulse rate of Premium Rate Service (PRM) is decided by the **PRM service provider & mostly 2 second per unit.**
- The 0900 access is only available on telephones having **STD / ISD.**
- If you do not want to access this service, you can bar the access on your telephone just by applying to **DE (Internal) of your Exchange.** Still after barring **0900**, you can avail STD & ISD facility from your telephone as usual.
