No. DGM (Estb)/Security/EOI/06-07/1

08 December 2006

LAST DATE OF RECEIPT : 30.12.2006

Expression of interest is being called for from the reputed parties capable of carrying out the following works

Name of work: State of the art biometric Access Control and Security system installation, operation and maintenance for 2000 employees approx.

The desired function of the system should be to:

1. Allow the authorized staff of the premises to enter after verification.
2. Allow visitors to enter the premises after recording all required particulars as per security requirement.
3. Detect un-authorized entry of persons of doubtful intention and prevent them from entering.
4. Allow authorized material to be brought in and taken out of the premises after verifying gate passes.

Detailed System description, Technical Details, infrastructures requirement, credentials of having installed such system elsewhere and approximate cost should be indicated in the offer.

Last date of receipt of the offer either by email or by post is 30 December 2006.
