Broadband is really Broad!

Dear Customer,

Your dialup Internet connection should be upgraded to Broadband Connection of BSNL Dataone with the Speed 256 kbps.

Why?

- You can surf Internet at about 5 times faster speed than an ordinary dial up connection.
- If you use dialup connection (172xxx) for more than 30 minutes (on average) a day, taking a broadband connection is cheaper because there are no separate call and ISP charges.
- You can surf Internet and talk on phone simultaneously. Hence do not miss any important call.
- You can now access rich multimedia content (streaming audio and video), video and audio chat, PC-to-PC call and lots more exciting feature.
- You can keep a check on your usage any time at BSNL website .
- As a BSNL landline subscriber, you can send 50 SMS per week (value up to Rs. 200 per month) free of cost by simply registering to our website.

Now go for Broadband and get the promotional offers:

- The customer having one BSNL landline (b-fone) connection may register for new Broadband connection against the existing b-fone connection.
- The customer will be provided one free IT-Card for Rs. 200/- or free Excel connection..
- A discount of Rs. 300/- will be given to the customer, which would be adjusted in 03(three) equal monthly installments from Broadband rental.
- The customer may apply for any existing plan.
- All charges for Broadband and b-fone connection will be as per existing tariff.

To Avail this Offer please fill up the form overleaf and
